Mr. K. GURU DUTT, B.A.,
*Director of Food Supplies in Mysore.*

BANGALORE,
*Dated* 17th Octr. 1949.

D. O. No. P.C. 19/49-50

CONFIDENTIAL.

Dear Sir,

As you are aware, I availed myself of casual leave for six days last week on grounds of ill health. I have just returned to duty. But I find that I am still not feeling fit. I gotmyself medically examined and have been advised that I should undergo treatment and rest for at least one month, in order to get over my present anaemic condition. In these circumstances I am obliged to apply for a month's privilege leave with effect from Wednesday the 19th instant. I may assure Government that I would not have applied for leave at this juncture if it had not been unavoidable. As things stand, I am quite unequal to the strain involved in my day to day work. By taking timely rest and treatment I hope to be able to avoid the contingency of my having to ask for longer leave a little later.

I must add that for over 5-1/2 years ~~since~~ I have not had any leave. The whole period was a very strenuous one for me, first as Deputy Commissioner, Kolar, for two years during a time of famine and strikes on the K.G.F., and then as Director of Food Supplies for nearly 3-1/2 years during a most difficult period. You may recollect that I had applied for six weeks' privilege leave as long back as January 1948. But for various reasons it was not sanctioned then. But now I find that I am unable to carry on any longer. I shall therefore be grateful if you will move Government to sanction the leave, and permit me to hand over charge to the senior Gazetted Assistant in my office, pending such arrangements as Government may be pleased to order for the carrying on of work during my absence. I propose to spend my leave in some quiet place on the West Coast as I badly need a change of atmosphere as well as environment.

Yours sincerely,

K. Guru Dutt
